

Welcome to DMIS

Dear DMIS Families,

Welcome to Dragon Mandarin Immersion School (DMIS)! We are excited to begin a wonderful school year together and are grateful that you have chosen to be part of our school community.

At DMIS, we are committed to providing a safe, caring, engaging, and academically strong learning environment where every child can grow with confidence. Through our Mandarin immersion program and well-rounded curriculum, students will develop strong skills in Mandarin Chinese, English Language Arts, Mathematics, Science, and Social Studies, while also building creativity, critical thinking, communication, and social emotional skills.

Our goal is not only academic achievement. We want our students to enjoy coming to school, develop good character, become responsible learners, and build confidence for their future.

A strong partnership between school and home is essential to student success. We encourage open communication between parents, teachers, and school administration. Please feel free to reach out whenever you have questions, concerns, or information that will help us better support your child.

As we begin this school year, we appreciate your patience, trust, and support as our students learn new routines, build friendships, and become comfortable in their classrooms.

We look forward to a year filled with learning, discovery, friendship, and growth. Together, we can make DMIS a place where parents feel confident, students are happy, teachers are dedicated, and every child is encouraged to reach their full potential.

Thank you for being part of the DMIS family. We are excited for the journey ahead!

Ms. Wang
